Why Basic ?

THE COBBLER & CO
SHOES & BAGS RESTORATION EXPERTS

As the name suggests our basic category is suited best for routine care & cleaning of casual and daily wear, which are not very expensive and are used in day-to-day life.

However, we use the best available Indian origin cleaning agents to clean your products and in no way compromise in meeting as well as exceeding our customer's expectations.

Our endeavour in Basic category is to provide you top-notch cleaning services for your shoes & bags at an affordable price point. After all, why not keep them looking stunning with some basic love!

Why Luxe ?

THE COBBLER & CO
SHOES & BAGS RESTORATION EXPERTS

The Luxe Category is a premium cleaning and repair service offered by The Cobbler & Co. for luxury leather handbags, shoes, jackets, belts, wallets, etc.!

Our charges are inclusive of end-to-end cleaning! For example, when we receive a dirty bag for cleaning & color restoration, then we not only re-color, but also clean up the inside lining, polish up the trims and do any kind of repair work that comes to our attention!

Thus, we adopt a 360- degree approach towards caring for your expensive products! With vast experience in leather & garment care, we can assure you that the chemicals and highest standards of quality & environmental sustainability and are mostly sourced from EU & USA.

Restoring your Luxury gear back-to its Glory, is our responsibility.
